

TEXAS STATE INSPECTION CRITERIA

Passenger Vehicles

Oil Changers uses Texas State certified testing equipment. The testing standards, requirements and pricing are set forth by the State of Texas. It is strictly against Texas state law for state inspectors to make exceptions to testing requirements and they may not pre-inspect. Each test is paid and is pass or fail. Must have proof of vehicle insurance to be inspected.

Items of Inspection

Horn	Windshield wipers
Mirrors	Steering
Seat belts	Beam indicator
Tail lamps	Stop lamps
License plate lamp	Rear red reflectors
Turn signal lamps	Head lamps

3rd brake light/center high mounted stop lamp
Motor, Serial or Vehicle ID Number
Brakes (system and parking brake)
Tires (tread depth & lug nuts)
Exhaust system
Exhaust emission system & codes
Gas caps on vehicles 2-24 model years old
Window tint - Must be greater than 25% light transmittance

The State of Texas allows a re-inspection of vehicles that failed to pass within 15 days at no cost.

Oil Changers values the opportunity to help keep Texas vehicles and roadways safe. Complaints about the testing process or requirements should be directed to the Motor Vehicle Inspection Division of the Texas Department of Public Safety.
